Oregon E-Cycles 2023 Tier Assignments

As of May 1, 2023

Below are the 2023 registration fee tier assignments for manufacturers in the Oregon E-Cycles Program. DEQ determines manufacturers' tier assignments annually. A manufacturer's fee tier determines the registration fee it pays and is based on its market share of computers, monitors, printers and televisions sold in or into Oregon the previous calendar year or four quarters (Q4/2021 – Q3/2022).

All manufacturers within a tier pay the same registration fee for a given year. Registration fees range from a maximum of \$35,000 for the largest manufacturers in Tier 1, to a minimum of \$40 for the smallest manufacturers in Tier 7. For more detailed information about how DEQ calculates registration fees, please visit: www.oregon.gov/deq/ecycles/Pages/fees.aspx

Is Your Registration Up to Date?

Manufacturers must register all of the brands of computers, monitors, printers, and TVs that have been or will be sold in or into Oregon in 2023. If you have questions about registration, please contact the Oregon E-Cycles Program at 503-229-5830 or ecycle.info@deq.oregon.gov.
