Growing set of Digital Assets

B2B Tech buyers could leverage the Persistent Marketplace's powerful ecosystem. It features a rich library of digital assets from the world's most trusted and leading B2B technology companies.

The Marketplace Benefit

The Persistent Marketplace offers B2B technology sellers / resellers an opportunity to merchandize and monetize their digital assets. Our partners can effectively leverage the Persistent Marketplace to be discovered by prospective buyers and generate blue ocean revenue.

Win-Win Business Models

The Persistent Marketplace facilitates several transformative sales models like productized services, subscription-based, consumption-based, and more. This gives our selling partners the flexibility to create new revenue streams.

Advanced Engineering Platform

The Persistent Marketplace is hosted on a secure and scalable private cloud. It offers a seamless environment to develop, test, host, and deliver digital assets. The marketplace is designed to foster developers' collaboration and innovation-led engineering.
