INFORMATION WE COLLECT

When you interact with us through the Service, we may collect Personal Data and other information from you, as further described below:

Personal Data That You Provide Through the Service: We collect Personal Data from you when you voluntarily provide such information, such as when you contact us with inquiries, respond to one of our surveys, register for access to the Service or use certain functions.

By voluntarily providing us with Personal Data, you are consenting to our use of it in accordance with this Privacy Policy. If you provide Personal Data, you acknowledge and agree that such Personal Data may be transferred from your current location to the offices and servers of TotalMotion and the authorised third-parties referred to herein located in Germany and/ or other countries.

Non-Identifiable Data / Aggregated Data: When you interact with us through the Service, we receive and store certain personally non-identifiable information. Such information, which is collected using various technologies, cannot presently be used to specifically identify you. TotalMotion may store such information itself or such information may be included in databases owned and maintained by TotalMotion affiliates, agents or service providers. In addition, we may collect information about your use of our Site and Service such as your IP address, the files viewed on our site, information about your device and operating system, crash reports and timestamp information. It is important to note that no Personal Data is available or used in this process.

In operating the Service, we and our marketing and service partner providers may use a technology called “cookies” and other similar technologies. A cookie is a piece of information that the computer that hosts our Service gives to your browser when you access the Service. Our cookies help provide additional functionality to the Service and help us analyse Service usage more accurately, including functions like analysing trends, administering the site, tracking users' movements around the site and gathering demographic information about our user base as a whole. For instance, our Site may set a cookie on your browser that allows you to access the Service without needing to remember and then enter a password more than once during a visit to the Site. In all cases in which we use cookies, we will not collect Personal Data except with your permission. On most web browsers, you will find a “help” section on the toolbar. Please refer to this section for information on how to receive notification when you are receiving a new cookie and how to turn cookies off. We recommend that you leave cookies turned on because they allow you to take advantage of some of the Service features.

OUR USE OF YOUR PERSONAL DATA AND OTHER INFORMATION

TotalMotion uses the Personal Data you provide in a manner that is consistent with this Privacy Policy. If you provide Personal Data for a certain reason, we may use the Personal Data in connection with the reason for which it was provided. For instance, if you contact us by email, we will use the Personal Data you provide to answer your question or resolve your problem. Also, if you provide Personal Data to obtain access to a Service, we will use your Personal Data to provide you with access to such Service and to monitor your use of such Service. TotalMotion and its affiliates („Related Companies“) may also use your Personal Data and other personally non-identifiable information collected through the Service to help us improve the content and functionality of the Service, to better understand our users and to improve the Service. TotalMotion and its affiliates may use this information to tell you about services we believe will be of interest to you. If we do so, each marketing communication we send you will contain instructions permitting you to “opt-out” of receiving future marketing communications. In addition, if at any time you wish not to receive any future marketing communications or you wish to have your name deleted from our mailing lists, please contact us as indicated below.
