TARGET 10·7
10 REDUCED INEQUALITIES

RESPONSIBLE AND WELL-MANAGED MIGRATION POLICIES

SDG indicator 10.7.2

Number of countries with migration policies to facilitate
orderly, safe, regular and responsible migration and mobility of people

## Albania

Overall summary for Albania

SDG indicator 10.7.2 — Meets or fully meets

Distribution of countries in Europe and Northern America and in the world for SDG indicator 10.7.2

	Require further progress	Partially meet	Meet or fully meet
World	5%	41%	54%
Europe and Northern America	0%	39%	61%

Notes: Based on available data for 111 countries in the world and on 31 countries in Europe and Northern America. Among the 31 countries in Europe and Northern America with data, 20 per cent or more have item non-response for the overall SDG indicator 10.7.2 of 10 per cent or more.

Policy domains of SDG indicator 10.7.2 for Albania

Domain 1. Migrant rights — Partially meets
Domain 2. Whole-of-government/ Evidence-based policies — Fully meets
Domain 3. Cooperation and partnerships — Fully meets
Domain 4. Socioeconomic well-being — Meets
Domain 5. Mobility dimensions of crises — Meets
Domain 6. Safe, orderly and regular migration — Partially meets

Policy domains and sub-categories of SDG indicator 10.7.2 for Albania

Policy domains

Domain 1. Migrant rights	Partially meets
Domain 2. Whole-of-government/Evidence-based policies	Fully meets
Domain 3. Cooperation and partnerships	Fully meets
Domain 4. Socioeconomic well-being	Meets
Domain 5. Mobility dimensions of crises	Meets
Domain 6. Safe, orderly and regular migration	Partially meets

Domain 1. Migrant rights (sub-categories)

Essential and/or emergency health care	Yes
Public education	Yes*
Equal pay for equal work	Yes*
Social security	Yes*
Access to justice	Yes

Domain 2. Whole-of-government/Evidence-based policies (sub-categories)
A dedicated Government agency to implement national migration policy	Yes
A national policy or strategy for regular migration pathways, including labour migration	Yes
A national policy or strategy to promote the inclusion or integration of immigrants	Yes
Formal mechanisms to ensure that the migration policy is gender responsive	Yes
A mechanism to ensure that migration policy is informed by data, appropriately disaggregated	Yes

Domain 3. Cooperation and partnerships (sub-categories)

An inter-ministerial coordination mechanism on migration	Yes
Bilateral agreements on migration, including labour migration	Yes
Regional agreements promoting mobility	Yes
Agreements for cooperation with other countries on return and readmission	Yes
Formal mechanisms to engage civil society and the private sector in the formulation and implementation of migration policy	Yes

Domain 4. Socioeconomic well-being (sub-categories)

Align, through periodic assessments, labour migration policies with actual and projected labour market needs	No
Facilitate the portability of social security benefits	Yes
Facilitate the recognition of skills and qualifications acquired abroad	Yes
Facilitate or promote the flow of remittances	Yes
Promote fair and ethical recruitment of migrant workers	Yes

Domain 5. Mobility dimensions of crises (sub-categories)

System for receiving, processing and identifying those forced to flee across international borders	Yes
Contingency planning for displaced populations in terms of basic needs such as food, sanitation, education and medical care	Yes
Specific measures to provide assistance to citizens residing abroad in countries in crisis or post-crisis situations	No
A national disaster risk reduction strategy with specific provisions for addressing the displacement impacts of disasters	Yes
Grant permission for temporary stay or temporary protection for those forcibly displaced across international borders and those unable to return	Yes

Domain 6. Safe, orderly and regular migration (sub-categories)

System to monitor visa overstays	No
Pre-arrival authorization controls	No
Provisions for unaccompanied minors or separated children	Yes
Migration information and awareness-raising campaigns	Yes
Formal strategies to address trafficking in persons and migrant smuggling	Yes

Notes: Values of less than 40 per cent are coded as 'Requires further progress', values of 40 per cent to less than 80 per cent are coded as 'Partially meets', values of 80 per cent to less than 100 per cent are coded as 'Meets', and values of 100 per cent are coded as 'Fully meets'. The symbol '*' indicates that the policies or measures apply to those with legal immigration status only.

Number of countries with migration policies to facilitate
orderly, safe, regular and responsible migration and mobility of people

Bangladesh

TARGET 10·7   10 REDUCED INEQUALITIES

RESPONSIBLE AND WELL-MANAGED MIGRATION POLICIES

## Overall summary for Bangladesh

SDG indicator 10.7.2 — **Meets or fully meets**

Distribution of countries in Central and Southern Asia and in the world for SDG indicator 10.7.2

	Require further progress	Partially meet	Meet or fully meet
World	5%	41%	54%
Central and Southern Asia	0%	20%	80%

Notes: Based on available data for 111 countries in the world and on 5 countries in Central and Southern Asia. Data are available for less than 50 per cent of countries in Central and Southern Asia.

Policy domains of SDG indicator 10.7.2 for Bangladesh

- Domain 1. Migrant rights — Partially meets
- Domain 2. Whole-of-government/Evidence-based policies — Fully meets
- Domain 3. Cooperation and partnerships — Fully meets
- Domain 4. Socioeconomic well-being — Meets
- Domain 5. Mobility dimensions of crises — Fully meets
- Domain 6. Safe, orderly and regular migration — Meets

Policy domains and sub-categories of SDG indicator 10.7.2 for Bangladesh

Policy domains

Domain 1. Migrant rights	Partially meets
Domain 2. Whole-of-government/Evidence-based policies	Fully meets
Domain 3. Cooperation and partnerships	Fully meets
Domain 4. Socioeconomic well-being	Meets
Domain 5. Mobility dimensions of crises	Fully meets
Domain 6. Safe, orderly and regular migration	Meets

Domain 1. Migrant rights (sub-categories)

Essential and/or emergency health care	Yes*
Public education	Yes*
Equal pay for equal work	Yes*
Social security	Yes*
Access to justice	Yes*

Domain 2. Whole-of-government/Evidence-based policies (sub-categories)
A dedicated Government agency to implement national migration policy	Yes
A national policy or strategy for regular migration pathways, including labour migration	Yes
A national policy or strategy to promote the inclusion or integration of immigrants	Yes
Formal mechanisms to ensure that the migration policy is gender responsive	Yes
A mechanism to ensure that migration policy is informed by data, appropriately disaggregated	Yes

Domain 3. Cooperation and partnerships (sub-categories)

An inter-ministerial coordination mechanism on migration	Yes
Bilateral agreements on migration, including labour migration	Yes
Regional agreements promoting mobility	Yes
Agreements for cooperation with other countries on return and readmission	Yes
Formal mechanisms to engage civil society and the private sector in the formulation and implementation of migration policy	Yes

Domain 4. Socioeconomic well-being (sub-categories)

Align, through periodic assessments, labour migration policies with actual and projected labour market needs	Yes
Facilitate the portability of social security benefits	No
Facilitate the recognition of skills and qualifications acquired abroad	Yes
Facilitate or promote the flow of remittances	Yes
Promote fair and ethical recruitment of migrant workers	Yes

Domain 5. Mobility dimensions of crises (sub-categories)

System for receiving, processing and identifying those forced to flee across international borders	Yes
Contingency planning for displaced populations in terms of basic needs such as food, sanitation, education and medical care	Yes
Specific measures to provide assistance to citizens residing abroad in countries in crisis or post-crisis situations	Yes
A national disaster risk reduction strategy with specific provisions for addressing the displacement impacts of disasters	Yes
Grant permission for temporary stay or temporary protection for those forcibly displaced across international borders and those unable to return	Yes

Domain 6. Safe, orderly and regular migration (sub-categories)

System to monitor visa overstays	Yes
Pre-arrival authorization controls	Yes
Provisions for unaccompanied minors or separated children	No
Migration information and awareness-raising campaigns	Yes
Formal strategies to address trafficking in persons and migrant smuggling	Yes

Notes: Values of less than 40 per cent are coded as 'Requires further progress', values of 40 per cent to less than 80 per cent are coded as 'Partially meets', values of 80 per cent to less than 100 per cent are coded as 'Meets', and values of 100 per cent are coded as 'Fully meets'. The symbol '*' indicates that the policies or measures apply to those with legal immigration status only.

Number of countries with migration policies to facilitate
orderly, safe, regular and responsible migration and mobility of people
Cameroon

Overall summary for Cameroon

■ SDG indicator 10.7.2   Partially meets

Distribution of countries in Sub-Saharan Africa and in the world for SDG indicator 10.7.2

Category	World	Sub-Saharan Africa
Require further progress	5%	6%
Partially meet	41%	45%
Meet or fully meet	54%	48%

■ World   ■ Sub-Saharan Africa

Notes: Based on available data for 111 countries in the world and on 33 countries in Sub-Saharan Africa.

Policy domains of SDG indicator 10.7.2 for Cameroon

Domain 1. Migrant rights — Requires further progress
Domain 2. Whole-of-government/Evidence-based policies — Requires further progress
Domain 3. Cooperation and partnerships — Meets
Domain 4. Socioeconomic well-being — Partially meets
Domain 5. Mobility dimensions of crises — Meets
Domain 6. Safe, orderly and regular migration — Partially meets

Policy domains and sub-categories of SDG indicator 10.7.2 for Cameroon

Policy domains

Domain 1. Migrant rights	Requires further progress
Domain 2. Whole-of-government/Evidence-based policies	Requires further progress
Domain 3. Cooperation and partnerships	Meets
Domain 4. Socioeconomic well-being	Partially meets
Domain 5. Mobility dimensions of crises	Meets
Domain 6. Safe, orderly and regular migration	Partially meets

Domain 1. Migrant rights (sub-categories)

Essential and/or emergency health care	No
Public education	Yes*
Equal pay for equal work	Yes*
Social security	No
Access to justice	Yes*

Domain 2. Whole-of-government/Evidence-based policies (sub-categories)
A dedicated Government agency to implement national migration policy	Yes
A national policy or strategy for regular migration pathways, including labour migration	No
A national policy or strategy to promote the inclusion or integration of immigrants	No
Formal mechanisms to ensure that the migration policy is gender responsive	No
A mechanism to ensure that migration policy is informed by data, appropriately disaggregated	No

Domain 3. Cooperation and partnerships (sub-categories)

An inter-ministerial coordination mechanism on migration	Yes
Bilateral agreements on migration, including labour migration	Yes
Regional agreements promoting mobility	Yes
Agreements for cooperation with other countries on return and readmission	Yes
Formal mechanisms to engage civil society and the private sector in the formulation and implementation of migration policy	No

Domain 4. Socioeconomic well-being (sub-categories)

Align, through periodic assessments, labour migration policies with actual and projected labour market needs	No
Facilitate the portability of social security benefits	No
Facilitate the recognition of skills and qualifications acquired abroad	Yes
Facilitate or promote the flow of remittances	Yes
Promote fair and ethical recruitment of migrant workers	No

Domain 5. Mobility dimensions of crises (sub-categories)

System for receiving, processing and identifying those forced to flee across international borders	Yes
Contingency planning for displaced populations in terms of basic needs such as food, sanitation, education and medical care	No
Specific measures to provide assistance to citizens residing abroad in countries in crisis or post-crisis situations	Yes
A national disaster risk reduction strategy with specific provisions for addressing the displacement impacts of disasters	Yes
Grant permission for temporary stay or temporary protection for those forcibly displaced across international borders and those unable to return	Yes

Domain 6. Safe, orderly and regular migration (sub-categories)

System to monitor visa overstays	No
Pre-arrival authorization controls	No
Provisions for unaccompanied minors or separated children	Yes
Migration information and awareness-raising campaigns	Yes
Formal strategies to address trafficking in persons and migrant smuggling	Yes

Notes: Values of less than 40 per cent are coded as 'Requires further progress', values of 40 per cent to less than 80 per cent are coded as 'Partially meets', values of 80 per cent to less than 100 per cent are coded as 'Meets', and values of 100 per cent are coded as 'Fully meets'. The symbol '*' indicates that the policies or measures apply to those with legal immigration status only.

- Domain 1. Migrant rights — Meets
- Domain 2. Whole-of-government/Evidence-based policies — Meets
- Domain 3. Cooperation and partnerships — Meets
- Domain 4. Socioeconomic well-being — Meets
- Domain 5. Mobility dimensions of crises — Fully meets
- Domain 6. Safe, orderly and regular migration — Fully meets

Policy domains and sub-categories of SDG indicator 10.7.2 for Estonia

Policy domains

Policy domains	
Domain 1. Migrant rights	Meets
Domain 2. Whole-of-government/Evidence-based policies	Meets
Domain 3. Cooperation and partnerships	Meets
Domain 4. Socioeconomic well-being	Meets
Domain 5. Mobility dimensions of crises	Fully meets
Domain 6. Safe, orderly and regular migration	Fully meets

Domain 1. Migrant rights (sub-categories)

Essential and/or emergency health care	Yes
Public education	Yes
Equal pay for equal work	Yes
Social security	No
Access to justice	Yes

Domain 2. Whole-of-government/Evidence-based policies (sub-categories)
A dedicated Government agency to implement national migration policy	Yes
A national policy or strategy for regular migration pathways, including labour migration	Yes
A national policy or strategy to promote the inclusion or integration of immigrants	Yes
Formal mechanisms to ensure that the migration policy is gender responsive	No
A mechanism to ensure that migration policy is informed by data, appropriately disaggregated	Yes

Domain 3. Cooperation and partnerships (sub-categories)

An inter-ministerial coordination mechanism on migration	Yes
Bilateral agreements on migration, including labour migration	Yes
Regional agreements promoting mobility	No
Agreements for cooperation with other countries on return and readmission	Yes
Formal mechanisms to engage civil society and the private sector in the formulation and implementation of migration policy	Yes

Domain 4. Socioeconomic well-being (sub-categories)

Align, through periodic assessments, labour migration policies with actual and projected labour market needs	Yes
Facilitate the portability of social security benefits	Yes
Facilitate the recognition of skills and qualifications acquired abroad	Yes
Facilitate or promote the flow of remittances	No
Promote fair and ethical recruitment of migrant workers	Yes

Domain 5. Mobility dimensions of crises (sub-categories)

System for receiving, processing and identifying those forced to flee across international borders	Yes
Contingency planning for displaced populations in terms of basic needs such as food, sanitation, education and medical care	Yes
Specific measures to provide assistance to citizens residing abroad in countries in crisis or post-crisis situations	Yes
A national disaster risk reduction strategy with specific provisions for addressing the displacement impacts of disasters	Yes
Grant permission for temporary stay or temporary protection for those forcibly displaced across international borders and those unable to return	Yes

Domain 6. Safe, orderly and regular migration (sub-categories)

System to monitor visa overstays	Yes
Pre-arrival authorization controls	Yes
Provisions for unaccompanied minors or separated children	Yes
Migration information and awareness-raising campaigns	Yes
Formal strategies to address trafficking in persons and migrant smuggling	Yes

Notes: Values of less than 40 per cent are coded as 'Requires further progress', values of 40 per cent to less than 80 per cent are coded as 'Partially meets', values of 80 per cent to less than 100 per cent are coded as 'Meets', and values of 100 per cent are coded as 'Fully meets'.

A national policy or strategy to promote the inclusion or integration of immigrants	Yes
Formal mechanisms to ensure that the migration policy is gender responsive	Yes
A mechanism to ensure that migration policy is informed by data, appropriately disaggregated	Yes

Domain 3. Cooperation and partnerships (sub-categories)

An inter-ministerial coordination mechanism on migration	Yes
Bilateral agreements on migration, including labour migration	Yes
Regional agreements promoting mobility	Yes
Agreements for cooperation with other countries on return and readmission	Yes
Formal mechanisms to engage civil society and the private sector in the formulation and implementation of migration policy	Yes

Domain 4. Socioeconomic well-being (sub-categories)

Align, through periodic assessments, labour migration policies with actual and projected labour market needs	Yes
Facilitate the portability of social security benefits	No
Facilitate the recognition of skills and qualifications acquired abroad	No
Facilitate or promote the flow of remittances	Yes
Promote fair and ethical recruitment of migrant workers	Yes

Domain 5. Mobility dimensions of crises (sub-categories)

System for receiving, processing and identifying those forced to flee across international borders	Yes
Contingency planning for displaced populations in terms of basic needs such as food, sanitation, education and medical care	Yes
Specific measures to provide assistance to citizens residing abroad in countries in crisis or post-crisis situations	Yes
A national disaster risk reduction strategy with specific provisions for addressing the displacement impacts of disasters	Yes
Grant permission for temporary stay or temporary protection for those forcibly displaced across international borders and those unable to return	Yes

Domain 6. Safe, orderly and regular migration (sub-categories)

System to monitor visa overstays	Yes
Pre-arrival authorization controls	No
Provisions for unaccompanied minors or separated children	Yes
Migration information and awareness-raising campaigns	Yes
Formal strategies to address trafficking in persons and migrant smuggling	Yes

Notes: Values of less than 40 per cent are coded as 'Requires further progress', values of 40 per cent to less than 80 per cent are coded as 'Partially meets', values of 80 per cent to less than 100 per cent are coded as 'Meets', and values of 100 per cent are coded as 'Fully meets'. The symbol '*' indicates that the policies or measures apply to those with legal immigration status only.

Access to justice	Yes

Domain 2. Whole-of-government/Evidence-based policies (sub-categories)
|	
A dedicated Government agency to implement national migration policy	Yes
A national policy or strategy for regular migration pathways, including labour migration	Yes
A national policy or strategy to promote the inclusion or integration of immigrants	Yes
Formal mechanisms to ensure that the migration policy is gender responsive	No
A mechanism to ensure that migration policy is informed by data, appropriately disaggregated	No

Domain 3. Cooperation and partnerships (sub-categories)
An inter-ministerial coordination mechanism on migration	Yes
Bilateral agreements on migration, including labour migration	Yes
Regional agreements promoting mobility	Yes
Agreements for cooperation with other countries on return and readmission	Yes
Formal mechanisms to engage civil society and the private sector in the formulation and implementation of migration policy	Yes

Domain 4. Socioeconomic well-being (sub-categories)
Align, through periodic assessments, labour migration policies with actual and projected labour market needs	No
Facilitate the portability of social security benefits	No
Facilitate the recognition of skills and qualifications acquired abroad	Yes
Facilitate or promote the flow of remittances	Yes
Promote fair and ethical recruitment of migrant workers	Yes

Domain 5. Mobility dimensions of crises (sub-categories)
System for receiving, processing and identifying those forced to flee across international borders	Yes
Contingency planning for displaced populations in terms of basic needs such as food, sanitation, education and medical care	Yes
Specific measures to provide assistance to citizens residing abroad in countries in crisis or post-crisis situations	Yes
A national disaster risk reduction strategy with specific provisions for addressing the displacement impacts of disasters	No
Grant permission for temporary stay or temporary protection for those forcibly displaced across international borders and those unable to return	Yes

Domain 6. Safe, orderly and regular migration (sub-categories)
System to monitor visa overstays	Yes
Pre-arrival authorization controls	Yes
Provisions for unaccompanied minors or separated children	Yes
Migration information and awareness-raising campaigns	Yes
Formal strategies to address trafficking in persons and migrant smuggling	Yes

Notes: Values of less than 40 per cent are coded as 'Requires further progress', values of 40 per cent to less than 80 per cent are coded as 'Partially meets', values of 80 per cent to less than 100 per cent are coded as 'Meets', and values of 100 per cent are coded as 'Fully meets'. The symbol '*' indicates that the policies or measures apply to those with legal immigration status only.

TARGET 10·7

10 REDUCED INEQUALITIES

SDG indicator 10.7.2
Number of countries with migration policies to facilitate orderly, safe, regular and responsible migration and mobility of people
Honduras

RESPONSIBLE AND WELL-MANAGED MIGRATION POLICIES

Overall summary for Honduras

|	
SDG indicator 10.7.2	Partially meets

Notes: For Honduras, item non-response for the overall SDG indicator 10.7.2 is 10 per cent or more.

Distribution of countries in Latin America and the Caribbean and in the world for SDG indicator 10.7.2

- Require further progress: World 5%, Latin America and the Caribbean 7%
- Partially meet: World 41%, Latin America and the Caribbean 14%
- Meet or fully meet: World 54%, Latin America and the Caribbean 79%

■ World ■ Latin America and the Caribbean

Notes: Based on available data for 111 countries in the world and on 14 countries in Latin America and the Caribbean. Data are available for less than 50 per cent of countries in Latin America and the Caribbean.

Policy domains of SDG indicator 10.7.2 for Honduras

Domain 1. Migrant rights — Partially meets
Domain 2. Whole-of-government/ Evidence-based policies — Partially meets
Domain 3. Cooperation and partnerships — Requires further progress
Domain 4. Socioeconomic well-being — Requires further progress
Domain 5. Mobility dimensions of crises — Requires further progress
Domain 6. Safe, orderly and regular migration — Fully meets

Notes: Item non-response for domain 2, domain 3, domain 4 and domain 5 is 10 per cent or more.

Policy domains and sub-categories of SDG indicator 10.7.2 for Honduras

SDG indicator 10.7.2

Number of countries with migration policies to facilitate orderly, safe, regular and responsible migration and mobility of people
Mauritius

TARGET 10·7 · 10 REDUCED INEQUALITIES

RESPONSIBLE AND WELL-MANAGED MIGRATION POLICIES

Overall summary for Mauritius

|	
■ SDG indicator 10.7.2	Partially meets

Notes: For Mauritius, item non-response for the overall SDG indicator 10.7.2 is 10 per cent or more.

Distribution of countries in Sub-Saharan Africa and in the world for SDG indicator 10.7.2

	Require further progress	Partially meet	Meet or fully meet
World	5%	41%	54%
Sub-Saharan Africa	6%	45%	48%

Notes: Based on available data for 111 countries in the world and on 33 countries in Sub-Saharan Africa.

Policy domains of SDG indicator 10.7.2 for Mauritius

Domain 1. Migrant rights — Partially meets
Domain 2. Whole-of-government/Evidence-based policies — Meets
Domain 3. Cooperation and partnerships — Fully meets
Domain 4. Socioeconomic well-being — Fully meets
Domain 5. Mobility dimensions of crises — Requires further progress
Domain 6. Safe, orderly and regular migration — Fully meets

Notes: Item non-response for domain 5 is 10 per cent or more.

Policy domains and sub-categories of SDG indicator 10.7.2 for Mauritius

Policy domains

Domain 1. Migrant rights	Partially meets
Domain 2. Whole-of-government/Evidence-based policies	Meets
Domain 3. Cooperation and partnerships	Fully meets
Domain 4. Socioeconomic well-being	Fully meets
Domain 5. Mobility dimensions of crises	Requires further progress
Domain 6. Safe, orderly and regular migration	Fully meets

Domain 1. Migrant rights (sub-categories)

Essential and/or emergency health care	Yes*
Public education	Yes*
Equal pay for equal work	Yes*
Social security	Yes*
Access to justice	Yes*

Domain 2. Whole-of-government/Evidence-based policies (sub-categories)
A dedicated Government agency to implement national migration policy	Yes
A national policy or strategy for regular migration pathways, including labour migration	Yes
A national policy or strategy to promote the inclusion or integration of immigrants	No
Formal mechanisms to ensure that the migration policy is gender responsive	Yes
A mechanism to ensure that migration policy is informed by data, appropriately disaggregated	Yes

Domain 3. Cooperation and partnerships (sub-categories)

An inter-ministerial coordination mechanism on migration	Yes
Bilateral agreements on migration, including labour migration	Yes
Regional agreements promoting mobility	Yes
Agreements for cooperation with other countries on return and readmission	Yes
Formal mechanisms to engage civil society and the private sector in the formulation and implementation of migration policy	Yes

Domain 4. Socioeconomic well-being (sub-categories)

Align, through periodic assessments, labour migration policies with actual and projected labour market needs	Yes
Facilitate the portability of social security benefits	Yes
Facilitate the recognition of skills and qualifications acquired abroad	Yes
Facilitate or promote the flow of remittances	Yes
Promote fair and ethical recruitment of migrant workers	Yes

Domain 5. Mobility dimensions of crises (sub-categories)

System for receiving, processing and identifying those forced to flee across international borders	..
Contingency planning for displaced populations in terms of basic needs such as food, sanitation, education and medical care	..
Specific measures to provide assistance to citizens residing abroad in countries in crisis or post-crisis situations	..
A national disaster risk reduction strategy with specific provisions for addressing the displacement impacts of disasters	..
Grant permission for temporary stay or temporary protection for those forcibly displaced across international borders and those unable to return	..

Domain 6. Safe, orderly and regular migration (sub-categories)

System to monitor visa overstays	Yes
Pre-arrival authorization controls	Yes
Provisions for unaccompanied minors or separated children	Yes
Migration information and awareness-raising campaigns	Yes
Formal strategies to address trafficking in persons and migrant smuggling	Yes

Notes: Values of less than 40 per cent are coded as 'Requires further progress', values of 40 per cent to less than 80 per cent are coded as 'Partially meets', values of 80 per cent to less than 100 per cent are coded as 'Meets', and values of 100 per cent are coded as 'Fully meets'. For Mauritius, item non-response for the overall SDG indicator 10.7.2 is 10 per cent or more. Item non-response for domain 5 is 10 per cent or more. The symbol '*' indicates that the policies or measures apply to those with legal immigration status only. The symbol '..' indicates that the data are not available.

Policy domains of SDG indicator 10.7.2 for New Zealand

- Domain 1. Migrant rights — Meets
- Domain 2. Whole-of-government/Evidence-based policies — Meets
- Domain 3. Cooperation and partnerships — Fully meets
- Domain 4. Socioeconomic well-being — Fully meets
- Domain 5. Mobility dimensions of crises — Meets
- Domain 6. Safe, orderly and regular migration — Fully meets

Policy domains and sub-categories of SDG indicator 10.7.2 for New Zealand

Policy domains
Domain 1. Migrant rights	Meets
Domain 2. Whole-of-government/Evidence-based policies	Meets
Domain 3. Cooperation and partnerships	Fully meets
Domain 4. Socioeconomic well-being	Fully meets
Domain 5. Mobility dimensions of crises	Meets
Domain 6. Safe, orderly and regular migration	Fully meets

Domain 1. Migrant rights (sub-categories)
Essential and/or emergency health care	Yes
Public education	Yes
Equal pay for equal work	Yes
Social security	Yes*
Access to justice	Yes

Domain 2. Whole-of-government/Evidence-based policies (sub-categories)
|	
A dedicated Government agency to implement national migration policy	Yes
A national policy or strategy for regular migration pathways, including labour migration	Yes
A national policy or strategy to promote the inclusion or integration of immigrants	Yes
Formal mechanisms to ensure that the migration policy is gender responsive	No
A mechanism to ensure that migration policy is informed by data, appropriately disaggregated	Yes

Domain 3. Cooperation and partnerships (sub-categories)
An inter-ministerial coordination mechanism on migration	Yes
Bilateral agreements on migration, including labour migration	Yes
Regional agreements promoting mobility	Yes
Agreements for cooperation with other countries on return and readmission	Yes
Formal mechanisms to engage civil society and the private sector in the formulation and implementation of migration policy	Yes

Domain 4. Socioeconomic well-being (sub-categories)
Align, through periodic assessments, labour migration policies with actual and projected labour market needs	Yes
Facilitate the portability of social security benefits	Yes
Facilitate the recognition of skills and qualifications acquired abroad	Yes
Facilitate or promote the flow of remittances	Yes
Promote fair and ethical recruitment of migrant workers	Yes

Domain 5. Mobility dimensions of crises (sub-categories)
System for receiving, processing and identifying those forced to flee across international borders	Yes
Contingency planning for displaced populations in terms of basic needs such as food, sanitation, education and medical care	Yes
Specific measures to provide assistance to citizens residing abroad in countries in crisis or post-crisis situations	Yes
A national disaster risk reduction strategy with specific provisions for addressing the displacement impacts of disasters	No
Grant permission for temporary stay or temporary protection for those forcibly displaced across international borders and those unable to return	Yes

Domain 6. Safe, orderly and regular migration (sub-categories)
System to monitor visa overstays	Yes
Pre-arrival authorization controls	Yes
Provisions for unaccompanied minors or separated children	Yes
Migration information and awareness-raising campaigns	Yes
Formal strategies to address trafficking in persons and migrant smuggling	Yes

SDG indicator 10.7.2

Number of countries with migration policies to facilitate orderly, safe, regular and responsible migration and mobility of people
Thailand

TARGET 10·7

10 REDUCED INEQUALITIES

RESPONSIBLE AND WELL-MANAGED MIGRATION POLICIES
Overall summary for Thailand

■ SDG indicator 10.7.2	Meets or fully meets

Distribution of countries in Eastern and South-Eastern Asia and in the world for SDG indicator 10.7.2

- Require further progress: World 5%, Eastern and South-Eastern Asia 0%
- Partially meet: World 41%, Eastern and South-Eastern Asia 57%
- Meet or fully meet: World 54%, Eastern and South-Eastern Asia 43%

■ World   ■ Eastern and South-Eastern Asia

Notes: Based on available data for 111 countries in the world and on 7 countries in Eastern and South-Eastern Asia. Data are available for less than 50 per cent of countries in Eastern and South-Eastern Asia. Among the 7 countries in Eastern and South-Eastern Asia with data, 20 per cent or more have item non-response for the overall SDG indicator 10.7.2 of 10 per cent or more.

Policy domains of SDG indicator 10.7.2 for Thailand

- Domain 1. Migrant rights — Meets
- Domain 2. Whole-of-government/Evidence-based policies — Fully meets
- Domain 3. Cooperation and partnerships — Fully meets
- Domain 4. Socioeconomic well-being — Fully meets
- Domain 5. Mobility dimensions of crises — Fully meets
- Domain 6. Safe, orderly and regular migration — Fully meets

Policy domains and sub-categories of SDG indicator 10.7.2 for Thailand

Policy domains

■ Domain 1. Migrant rights	Meets
■ Domain 2. Whole-of-government/Evidence-based policies	Fully meets
■ Domain 3. Cooperation and partnerships	Fully meets
■ Domain 4. Socioeconomic well-being	Fully meets
■ Domain 5. Mobility dimensions of crises	Fully meets
■ Domain 6. Safe, orderly and regular migration	Fully meets

Domain 1. Migrant rights (sub-categories)

Essential and/or emergency health care	Yes

Formal mechanisms to ensure that the migration policy is gender responsive	Yes
A mechanism to ensure that migration policy is informed by data, appropriately disaggregated	Yes

Domain 3. Cooperation and partnerships (sub-categories)

Sub-category	
An inter-ministerial coordination mechanism on migration	Yes
Bilateral agreements on migration, including labour migration	Yes
Regional agreements promoting mobility	Yes
Agreements for cooperation with other countries on return and readmission	Yes
Formal mechanisms to engage civil society and the private sector in the formulation and implementation of migration policy	Yes

Domain 4. Socioeconomic well-being (sub-categories)

Sub-category	
Align, through periodic assessments, labour migration policies with actual and projected labour market needs	Yes
Facilitate the portability of social security benefits	Yes
Facilitate the recognition of skills and qualifications acquired abroad	Yes
Facilitate or promote the flow of remittances	No
Promote fair and ethical recruitment of migrant workers	Yes

Domain 5. Mobility dimensions of crises (sub-categories)

Sub-category	
System for receiving, processing and identifying those forced to flee across international borders	Yes
Contingency planning for displaced populations in terms of basic needs such as food, sanitation, education and medical care	Yes
Specific measures to provide assistance to citizens residing abroad in countries in crisis or post-crisis situations	Yes
A national disaster risk reduction strategy with specific provisions for addressing the displacement impacts of disasters	No
Grant permission for temporary stay or temporary protection for those forcibly displaced across international borders and those unable to return	Yes

Domain 6. Safe, orderly and regular migration (sub-categories)

Sub-category	
System to monitor visa overstays	Yes
Pre-arrival authorization controls	Yes
Provisions for unaccompanied minors or separated children	Yes
Migration information and awareness-raising campaigns	Yes
Formal strategies to address trafficking in persons and migrant smuggling	Yes

---

Notes: Values of less than 40 per cent are coded as 'Requires further progress', values of 40 per cent to less than 80 per cent are coded as 'Partially meets', values of 80 per cent to less than 100 per cent are coded as 'Meets', and values of 100 per cent are coded as 'Fully meets'. The symbol '*' indicates that the policies or measures apply to those with legal immigration status only.
