PRO/NV/Emergency Contact Information/2023

The Protocol and Liaison Service of the Department for General Assembly and Conference Management (DGACM) of the United Nations presents its compliments to the Permanent Missions and Observer Offices to the United Nations and to the Liaison Offices of the Specialized Agencies and related organizations and has the honour to bring to their attention the following:

The United Nations is routinely updating its email emergency contact list of Permanent Missions and Observer/Liaison Offices. This emergency contact list is only used by offices within the United Nations that would need to communicate important information. To this end, the Protocol and Liaison Service of the Department for General Assembly and Conference Management (DGACM) of the United Nations kindly requests all Permanent Missions and Observer/Liaison Offices in New York to communicate, in writing, an email address that would be used for the emergency contact list. Please note that this email can be different from the general purpose email that is published in the Blue Book, and that this email address will not be published in the Blue Book or any other document.

In the event that the Permanent Missions and Observer/Liaison Offices do not provide such an email, then the email listed in the Blue Book will be used for the emergency contact list. Please also note that it is the responsibility of the Permanent Missions and Observer Offices to inform the Protocol and Liaison Service of the Department for General Assembly and Conference Management (DGACM) of the United Nations in a timely fashion about any changes to that email address.

The Protocol and Liaison Service of the Department for General Assembly and Conference Management (DGACM) of the United Nations avails itself of this opportunity to renew to the Permanent Missions and Observer Offices to the United Nations and to the Liaison Offices of the Specialized Agencies and related organizations the assurances of its highest consideration.
