

United Nations High-level Week, 14 – 30 September, 2021

SDG MEDIA ZONE

[SDG Media Zone](#)

16 - 24 September • webtv.un.org

WHAT TO EXPECT

- The SDG Media Zone will highlight and explain key issues relating to the 76th General Assembly, with a focus on climate action, biodiversity, vaccine equity, food systems and renewable energy;
- The interviews, produced in collaboration with global, regional and national media organizations, will feature top UN officials, experts as well as celebrity influencers and other change-makers from across the UN System.

WHY WATCH?

- The SDG Media Zone sessions highlight the latest issues, the efforts of the global community, and the voices and needs of the people we serve.
- Anchored through partnerships with media organisations, the sessions aim to reach and inspire audiences everywhere through meaningful content collaborations.
- The conversations aim to shape the public discourse and frame key discussions on what needs to be done to tackle the world's challenges, transform commitments into actions, showcase solutions and advance the Sustainable Development Goals.
