Engaging young people in the implementation of Sustainable Development Goal 14, Life Below Water, is more essential than ever. Join our webinar to mobilize youth representatives, share information and brainstorm ideas on how to strengthen the momentum for ocean action among young people during the preparatory process of the 2020 UN Ocean Conference.

This session of the four-part series “Keeping the Momentum for Ocean Action” is a joint effort from the UN Department of Economic and Social Affairs, the Office of the UN Secretary-General’s Envoy on Youth, the UN Non-Governmental Liaison Service, the Major Group for Children and Youth and the Sustainable Ocean Alliance.
