

# OUTER SPACE IN THE PACT FOR THE FUTURE: CONTINUING THE DIALOGUE

Co-organized by the German UN Mission Vienna and the Office for Outer Space Affairs in cooperation with the German Space Agency at DLR

**16 April 2024 | 13:15 - 14:15 CET | ROOM M3**

Preparations for the UN Summit of the Future, scheduled for 22-23 September 2024 in New York, have intensified with the release of the Zero Draft of the Pact for the Future. Following the first and second readings in New York, the side event will provide an update on the process and a forum to discuss the space-related passages of the draft. As a follow-up to a rich discussion during a side event at the STSC, COPUOS Member States from all regional groups as well as observer organisations are invited to exchange their ideas and perspectives.

**H.E. AMBASSADOR GÖTZ SCHMIDT-BREMME**

Permanent Mission of Germany to the United Nations and to other International Organizations, Vienna

**MS. AARTI HOLLA-MAINI**

Director, United Nations Office for Outer Space Affairs (UNOOSA)
