Announcement
10th Multi-GNSS Asia (MGA) Conference

We are pleased to announce that the 10th Multi-GNSS Asia (MGA) Conference will be held in **Melbourne, Australia, 23rd – 25th October 2018**. The Conference will be hosted by Royal Melbourne Institute of Technology (RMIT), Australia.

MGA is an international cooperative initiative endorsed by the International Committee on Global Navigation Satellite Systems (ICG) to promote cooperation and utilization of satellite positioning, navigation and timing services.

Please refer to the MGA websites https://2018.mgaconference.com.au/ or http://www.multignss.asia/ for updated information on the Conference agenda, registration etc.

Funding

Co-organizers have kindly agreed to provide limited financial assistance for eligible applicants. Preference will be given to researchers and graduate students from developing countries. Financial assistance will <u>cover the travel costs only,</u> and will NOT include expenses such as accommodation, food, insurance, medical emergencies etc. The co-organizers reserve the right to select the participants on competitive basis for granting the financial assistance for travel. All applicants must submit a one page extended abstract of their research work based on global navigation satellite systems (GNSS).

Application Deadline
Application submission deadline

with one page abstract   **: 10th August 2018**

Insurance

Selected participants are requested to obtain travel and medical insurance before entering in to Australia.
