### Verizon Wireless Prepaid Plans information

For more information about Verizon plans and to view Broadband Fact Labels, go to [verizon.com/broadband-facts/national/prepaid](http://verizon.com/broadband-facts/national/prepaid) or call 888.294.6804.

Prepaid accounts subject to Verizon Wireless Customer Agreement (which can be found at [vzw.com/legal/notices/customer-agreement](http://vzw.com/legal/notices/customer-agreement)) and details of your Plan. Monthly Plan or Family Account fees will be charged on the same date each month. You must have sufficient funds at time of renewal to cover the Monthly Plan fees and all add-on fees. Once activated and fully funded, your account will remain active for one calendar month. At time of renewal, if funds are available, account will be renewed for another month. If funds are not available at time of renewal, account will be suspended. After 60 days, any remaining balance will be forfeited and the account will be canceled. Other charges and restrictions apply. Usage rounded to next full minute. Offers and coverage not available everywhere. For additional information, visit [verizon.com/prepaid](http://verizon.com/prepaid).

Additional taxes and fees may apply.

In times of congestion, your data may be temporarily slower than other traffic.

<sup>1</sup> \$10/mo Auto Pay discount eligible after the 1st month.

<sup>2</sup> Save \$20/mo when you add an additional Verizon Prepaid Unlimited plan to your account. First line on account can be either a phone or data plan. Each additional Unlimited phone line receives a \$20/mo discount. Additional \$10/mo Auto Pay discount eligible after the 1st month. Auto Pay and loyalty discounts cannot be combined.

<sup>3</sup> You will receive 4G LTE when 5G is not available. Requires a 5G-capable device.

<sup>4</sup> Visit [verizon.com/prepaidglobal](http://verizon.com/prepaidglobal) for a list of international destinations.

<sup>5</sup> 4G or 5G World Device required. International data reduced to 2G speeds after 0.5 GB/day. If more than 50% of your talk, text or data usage in a 60-day period is in Mexico or Canada, use of services in those destinations may be removed or limited.

<sup>6</sup> 5G Ultra Wideband access requires a 5G-capable device inside the 5G Ultra Wideband Coverage Area. Includes 4K UHD streaming on capable devices. Downloads over 5G Ultra Wideband.

<sup>7</sup> Once high-speed data is used (including Mobile Hotspot), you will have 2G speeds the remainder of the month. Your data experience and the functionality of some data applications, such as streaming video or audio, may be impacted.

<sup>8</sup> Share your wireless network connection with other devices over Wi-Fi.

<sup>9</sup> Mobile Hotspot includes 5 GB of 5G/4G LTE data, then speeds up to 600 Kbps the remainder of the month. Your data experience and functionality of some data applications such as streaming video or audio may be impacted.

<sup>10</sup> 50 GB premium network access, then unlimited data. Get 50 GB of 5G/4G LTE premium data per month. You'll also get DVD-quality up to 480p video streaming on 5G/4G LTE. In times of congestion, your smartphone and mobile hotspot data may be temporarily slower than other traffic after exceeding 50 GB/mo per line of 5G/4G LTE data.

<sup>11</sup> \$5/mo loyalty discount applies after 3 months of service; an additional \$5/mo applies after 9 months of service, for a total of \$10/mo on plans 15 GB or higher. Discount applies as long as your line is not disconnected. Additional Auto Pay discounts do not apply.

<sup>12</sup> 25 GB premium mobile hotspot data, then unlimited lower-speed data. Get high-speed 5G/4G hotspot data that your other devices can use. Your smartphone becomes a Wi-Fi connection for devices like tablets, laptops, and more. During times of congestion, 5G/4G LTE hotspot data may be temporarily slower than other traffic after 25 GB/mo of 5G/4G LTE smartphone data. After exceeding 25 GB/mo of 5G Ultra Wideband, 5G, or 4G LTE data, you can still use hotspot at lower speeds of 3 Mbps when on 5G Ultra Wideband and 600 Kbps when on 5G/4G LTE for the rest of the month. 5G access requires a 5G-capable device.

<sup>13</sup> Includes one free Global Choice country per month. You will receive discounted rates to call 220+ countries along with unlimited calls to Mexico and Canada. Global Choice is not compatible with any other International Long Distance plan. Add Global Choice to your plan via My Verizon.

<sup>14</sup> If you have an active Verizon Prepaid account, you'll receive a \$30/month discount on each data plan you add. First line on account can be either a phone or data device.

<sup>15</sup> Video streams up to 1080p on tablets and up to 720p on devices connected to mobile hotspots and routers when on 5G/4G LTE. Capable device required.

<sup>16</sup> Video streams up to 4K UHD when on 5G Ultra Wideband. Video streams up to 1080p on tablets and up to 720p on devices connected to mobile hotspots when on 5G/4G LTE. Capable device required.

<sup>17</sup> Data usage may apply to app download/use.

<sup>18</sup> 15 GB of high speed data for \$10/line per month when adding a smartwatch plan. Data for smartwatches may be temporarily slower than other traffic during times of congestion. Reduced to speeds up to 600 Kbps for the rest of your monthly billing cycle (only after 15 GB/mo of 5G or 4G LTE data.)

Up to \$35 activation fee; other charges and restrictions may apply. Payments to your account are subject to applicable taxes and E911 fees. Domestic Roaming is 20¢ per minute. All calling plans support Voice Mail, Calling Features and International Services. For additional details, visit [verizon.com/prepaid](http://verizon.com/prepaid).
